

Gjesdal kommune

Welcome to Gjesdal!

Are you new in Gjesdal or Norway? Or have you been here for a while, but still sometimes feel a little lost?

Gjesdal municipality has created an English-language* webpage called ***New in Gjesdal***. It gives practical information about both big questions, like "How does the welfare system in Norway work?", and everyday questions, like "What is *dugnad* all about?"

**Having the information in English often makes translation (e.g. via Google Translate) easier and more precise.*

The goal is to make it easier to find information, get to know the municipality, and take part in the local community.

On the ***New in Gjesdal*** page, you can read about:

- kindergarten, school and higher education
- learning Norwegian and applying for jobs
- leisure activities and volunteering
- health and welfare services
- family life and support services
- Norwegian culture, traditions and everyday life
